WORK EXPERIENCE

New Employee Orientation
Samsung R&D Institute

📅 June 2019 - Present 📍 Noida, India

INTERNSHIP

Android Malware Detection
Samsung R&D Institute

📅 January 2019 - May 2019 📍 Noida, India

- Detected malware in Android devices based on Permissions.
- Created dataset from known as well as from unknown sources.

PROJECTS

Virtual Piano
Thapar Institute of Engineering and Technology

📅 January 2018 - December 2018 📍 Patiala, India

- Made portable piano using a semi-transparent plastic sheet.
- Real time motion detection of fingers using Raspberry Pi.

Mark Fast
Thapar Institute of Engineering and Technology

📅 August 2017 - December 2017 📍 Patiala, India

- Made desktop application for marking attendance quickly.
- Implemented face detection and face recognition algorithms.

ACADEMIC ACHIEVEMENTS

- World rank 1 at GeeksForGeeks among 10,00,000 users.
- Global rank 1 at InterviewBit among 3,00,000 users.
- University rank 1 at LeetCode among 6,000 users.
- Fourth year University topper among 1,500 students.
- Runner-up in switch coding competition among 50 teams.
- Won reverse coding competition among 100 students.
- Scored 98.70 percentile in JEE Mains examination.
- Won Young Mathematician Contest among 76 schools.

EXTRACURRICULAR ACTIVITIES

- Ranked 96 among 8724 participants in an Online International Chess Tournament organized by chess.com.
- Delivered a lecture on C/C++ at workshop conducted by GeeksForGeeks Community, TIET.
- Led a group of teams in a regional academic inter-school competition and won trophy among 80 schools for two consecutive years.

EDUCATION

B.E. in Computer Science
Thapar Institute of Engineering and Technology

📅 2015 - 2019 📍 Patiala, India

🏆 **CGPA** 9.04

Higher Education in Non-Medical
B.S.F. Senior Secondary School

📅 2013 - 2014 📍 Jalandhar Cantt, India

🏆 **Percentage** 92.80

Matriculation
B.S.F. Senior Secondary School

📅 2011 - 2012 📍 Jalandhar Cantt, India

🏆 **CGPA** 9.00

TECHNICAL SKILLS

Java · JavaScript · Oracle SQL · C++ · PHP · Python · R

AREAS OF INTEREST

Data Structures · Machine Learning · Database Management System · Artificial Intelligence · Operating Systems · Natural Language Processing

MOOCS COMPLETED

- Machine Learning A-Z, SuperDataScience Team.
- The Complete Web Developer Course 2.0, Codestars.
- Learn Android Application Development, ProgramMe.
